Selection Criteria

The NCP Board of Directors will make its decision regarding submissions based on the following criteria:

Applicants Experience in Theatre

Although NCP welcomes submissions from new or less experienced applicants, any previous experience will be considered in the selection process. We encourage those seeking employment for the first time to consider volunteering for a show to gain experience and skills.

Applicant's "people skills"

NCP is a 100% volunteer-operated organization. Volunteers participate in NCP productions because they love theatre and because it is just plain fun to do so. No matter how brilliant your vision, your ability to work with people will determine whether or not those volunteers return to us in the future. Building good relationships with volunteers will also ensure your show is successful. Be prepared to manage "people" not just work with actors.

The Production Team Application Form

The Production Team Application Form is your chance to "sell" your vision of the production to NCP. The level of preparation and thought you put into your proposal could be seen as an indication of how you might run a production.

Show Proposal

Please outline your directing style and technique as well as your concept for each show of interest. Be sure to include any ideas regarding your designs (set design, lighting design, props, choreography, and costume, etc.) This is your chance to sell yourself and your vision to the board and give NCP a chance to see what we could expect with you at the helm of one of our productions. Showing your ability to organize and prepare in advance is an important piece of the proposal.
